## Customer Testimonials

"Before our move to Hedgehog, I would have considered this to be an occasion where I would feel compelled to ask our hosting provider to keep a particularly sharp eye on our site. But it's become abundantly clear to me that's probably not necessary with you guys, because **you're obviously keeping a sharp eye on us ALL the time**. - Pagers that let you know whenever it takes longer than 9 seconds to load a CF page, etc.... You tend to notice things just as fast, or faster, than we do."

**Randolph Court, Democratic Leadership Council**

**"I have always been very impressed with your service and professionalism.** With so much change going on, it is good to know that I don't need to worry about our hosting solution."

**Kevin Reid, Amnesty International, USA**

"As you know this is a mission critical server for Dominion and getting the drives implemented in a redundant array is a major improvement. Once again the **Hedgehog team offers a level of service and expertise beyond that of any other web hosting provider.**"

**Robert Nicholson, Dominion Dental Services, Inc.**

"The Arlington County Medical Society has been greatly impressed with the service that Hedgehog has provided. I have never had to wait for service. In fact, Hedgehog makes you feel like they have unlimited time for you. **Hedgehog is the most attentive and competent service that I have dealt with.**"

**Jo Ann Allen, Arlington County Medical Society**

"Took a call from [a prospective client] today. I realized that I now sound like one of the "true believers" I spoke to when I did reference checks for Hedgehog. **You certainly have a happy customer here. You guys are definitely doing things right to engender that kind of loyalty.** Keep up the good work!"

**Mike Guerrieri, American Speech-Language-Hearing Association**

**"You are the best hosting service ever...** Thank you so much for the extraordinarily great service Hedgehog has provided."
